Dear Sir / Madam,

It is our pleasure to submit to your attention the present Letter of Recommendation for Travel Management Ltd.

Servier Medical Ltd has worked with Travel Management since the beginning of 2009. For the last 4y we benefit from a highly professional service in many aspects of their activities: Events organization, Fairs and congresses, Team building programs, as well as Air tickets and Hotels booking – in Bulgaria and abroad.

Travel Management is a company with experience, working with flexibility and enthusiasm, quickly responding to customer needs and requests. They deliver high quality service on every single step of the event management process and this has been always for us a guaranty for success.

With the present, we would like to express our sincerest thanks and gratitude for their competency, for their responsibility and for their friendly attitude. We strongly believe that Travel Management Ltd team has capabilities of professional and reliable partner and we intend to continue our successful collaboration in the future.

We hope that this Letter of Recommendation will be considered favorably.

Yours sincerely,

Antoaneta Nestorova
Human Resources Manager
